One small (positive) thought in the morning can change your whole day.

Received this message from Carol Proteau, Unit #135, giving you a heads up concerning Thanksgiving Dinner. Thanks Carol

Re: Thanksgiving Dinner  
Wednesday November 26, 2014

Mobile Units #102 thru #148 will be hosting the Dinner.  
We will have to have a get together to make plans for the dinner.  
I hope to be there by first of November. We need to get a head count and final numbers by November 19th.

So far I have called Der Dutchman, spoke to Lynette Haskins, who is in charge of catering. She has us in her books for delivery to Southwinds on Wednesday, November 26th, at 12:45 pm.

We will have to decide what we want from them, so hopefully we can get a group together and get that all planned out. I have the Event Report from last year.

**Michael Tonkel, Maintenance Employee, lost his sister on September 24, 2014**

Also, for those of you who haven't heard, Joyce and Dan Lizotte lost a nephew to this terrible thing called WAR. There were several postings on Facebook, but I know that not everyone does Facebook so, I would like to reprint one of the articles concerning this young man.

We all want to add our condolences to the Arsenault family and especially to Joyce and Dan for their loss. We're thinking of you every day with sympathy, with love, and with a prayer that God will bless you and keep you in his care.

*On 4 September 2014 the Red Devils lost an amazing Son, Brother, Friend, and Paratrooper. SPC Brian Arsenault was a friend and leader to all of his fellow Brother's in Arms from Bravo Company. He was a charismatic young man who could put a smile on anyone's face, no matter what the circumstances were. SPC Arsenault was loved by all who he served with. On 10 September 2014 we said our final goodbye to SPC Arsenault at Bagram Airfield. Thank you Brian for all the memories you have left us with. You will never be forgotten!!!*

**Vern update:** Ila wrote to say that there is nothing new; Vern is holding his own. They will stay in Pennsylvania for the month of October for appointments and in hopes that Vern gains some strength. His weight is down to 155 lbs. and he is walking with a walker.

**We send our prayers and best wishes for improved health.**

## South Winds Phone Directory

The phone book is printed and being distributed. It was pared down and some pages were eliminated. If you have suggestions or corrections, please contact Barb Smith or the office.

Some errors have already been discovered:

Smitty spells his name Buell

John and Mardee Blommel were left out of the alphabetical section of the directory. We have no phone number for them.

LeBlanc should be Dennis with no Doreen

Tumbry should be Steve with no Carol

Corrections will be in the Breeze and on the Breeze
