

The Breeze

VOLUNTEERS!!!!

Can you imagine what our park would be like without the dozens of volunteers who work unselfishly for the benefit of all of us??? We have the residents who work for us on the Homeowners Board of Directors, the Recreation Board, and the Video Breeze. Cloud Nine, Hobby Club, Bingo, Shuffle Club, Golf, Hymn Sing, Bowling, Billiards, Bible Study, Computer Club, Cards, Health Care, Horseshoes, Exercise (both stretch & pool), Garden Club, and some others I am sure I missed. Also, those who volunteer for the Garage Sale and the Variety Show, to chair the pot lucks, the Saturday morning coffees, the dances, our monthly group breakfasts, lunches & dinners, & the MOPS luncheons. Let us not forget those who chair our holiday celebrations, Memorial Day, the 4th of July, Labor Day, Thanksgiving, Christmas, and of course, our Park Picnic. There are so many involved and we just want to say THANK YOU so much for all you give.

This month I'd like to acknowledge the herculean efforts of two of our Board members, who, in addition to their normal board duties, stepped up and added two park owned units to our cash flow. Dave King & Woody Dail, with their volunteer helpers, John Gyenge & Jerry Page and Dick Mosher spent countless hours putting in new floors, painting, etc. to bring Units 12 & 40 into rental condition. These units are now being rented on a full time basis with income for our park.

These same two board members, Dave & Woody, took over the new bathroom project in the park to bring it to completion, even as they were preparing to head north for the summer months. Many problems had to be overcome, but, with their leadership and the volunteer efforts of Parke Leggett, Dick Mosher, Jack Porter & Walt Smith, much was accomplished. Several others offered to help but were not needed and those we also thank.

In no way am I forgetting all of you who do so much just because you love the park and want to contribute to its success. Hopefully I can continue to acknowledge others in a later edition, but for this month I really want to say: **THANK YOU, DAVE & WOODY!!!**

Charlotte Lockett

***As some of you may already know, I had fallen on April 25th and broke my hip. After having a rod and ball replacement (partial hip replacement) I moved into a rehab center for three weeks and now am finally home. I am progressing nicely and have even started using a cane but, will still use my walker as needed. I would like to thank everyone for all the cards, flowers, calls and prayers. Thank you again for your thoughts and prayers.
