

The Breeze

May 2015

HAPPY
MOTHER'S
DAY!

Editor's note:

Many of our neighbors and friends have already returned to their summer homes and I will be joining them soon. I'm going to continue the Breeze for the summer months as long as I have some info to give you. I cannot do it without the articles you send to me or give to Joani. As usual, Joani is my backbone when it comes to doing the Breeze and I can never thank her enough for making me look good. My address remains the same as far as email and my home address is 1713 Adams Ave., Mineral Point, PA. I would appreciate hearing from you and will try to send out notes concerning residents as I get them. Hope you all have a great summer. Take care and stay healthy.

NEW TELEPHONE BOOK

We have three residents who have volunteered to produce a new telephone book for the coming season. Connie Vaughn, Chick Hutter, and Janet Duffy are busy getting info together so that we can have a new phone book by the end of October. However, we do need your cooperation so that the information in the book is accurate. They have come up with a form for you to fill out with both an email address and a home address where you may send it. They are trying to be independent of the office as Joani has plenty of work to keep her busy. I'm including the form with this newsletter and will continue to do so over the next months. Please fill out the form and send it to either address. As you can see, they are trying to include a home phone, and cell phone numbers for any of you who would like to have them included. If, for any reason, you do not want the phone numbers included, send us a written note stating that you do not want your number disclosed and the book will just have your

name, unit number and state or province from where you call home as is now in the book.
