"Healthy, Beautiful Skin & Prevention of Skin Cancer"

***Bring a salad to share for our buffet
Please bring your own plate and utensils
Hostesses: Paula Buesing and Carol Hutter***

HAZARDOUS MATERIALS

Over the summer there was an issue concerning the disposal of hazardous material (mostly old paint). Our maintenance crew has been disposing of the hazardous material, but since it has caused a problem, they will no longer handle this material. Disposing of any hazardous waste that you have will be your personal responsibility. Paint can be dried out and then put in the regular garbage, or, you may take left over paint and other hazardous material to the Hazardous Waste Facility at 8750 Bee Ridge Road Wednesday through Saturday.

YARD WASTE

Yard waste will be picked up by the maintenance crew on Wednesday only. Put it in a container or bag and place it at the curb no later than 7:30 am.

Harold Forbes is at Manor Care on Swift, Room 227, Second Floor, 941-925-5014

Lee Minges is at Bay Village

SAVE THE DATE

Homeowner Coffee Hour – Saturday, November 7th

Recreation Club Coffee Hour – Saturday, November 21st

Francile Huser died the afternoon of October 21st, 2015

Your 2015-16, park phone directory is available online at southwindspark.com.

Next board meeting scheduled for 9:00 a.m. in the Annex on November 10th.

We have no anniversaries or birthdays in November but, I have heard that birthdays are good for you – the more you have the longer you live.

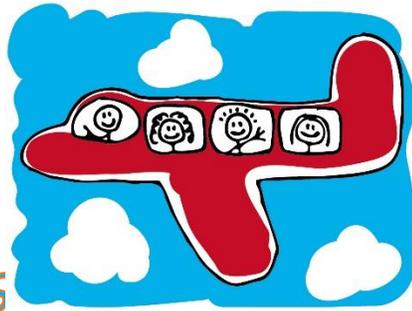

Memories:

Mary Lee Wolf entertaining at the Independence Day picnic July 1979.

FLU SHOTS TUESDAY, NOVEMBER 3, 2015 IN THE ANNEX AT 9:00 A.M.

FREQUENT FLYERS

We are approaching a very busy time for air travel. Here are some tips to help get the best fares.

Travel in off peak times. Two of the slowest periods for air travel are December 1 to December 14 and January 4 to February 15.

Fly on slow days. Planes tend to have the most empty seats on Tuesdays, Wednesdays and Saturdays.

Consider a nearby airport. Driving a ways could save a considerable amount.

Look for routes flown by Frontier, Southwest and Spirit. Other airlines in those same routes are matching or beating their fares.

Finch, parrots and turtle visit the front of the park.
