MAINTENANCE IS MORE THAN MOWING

Here are just a few of the things that kept them busy this past month. I have not included the whole list but thought you might like to see the variety of things they do on top of their regular cleaning, mowing, etc. Our maintenance people do a great job and our residents are their No. 1 priority.

- Brought stove down to shop from Unit 33 for special pickup
- Responded, with Woody along, to check a beaver sighting at #159 in the canal. We did not see any beavers.
- Took chairs and tables to resident's home.
- Cut back tree limbs that were blocking out light from the street light across from #244.
- Cut off large oak limb hanging over horseshoe courts.
- Cut back palm fronds from several units.
- Cut back bushes that were growing against house at rental
- Washed stone brick pavers at front of park
- Washed Southwinds sign
- Got a switch to work better on Bingo machine but it will have to be replaced
- Cut out palmettos for the new pickle ball courts
- Repaired pool chair webbing again
- Painted pool side of block wall bordering pool
- Replaced pressure regulator for sprinkler system at planting bed across from #61
- Fixed main TV cable at #87
- Repaired window air conditioner at office building that keeps all the cable equipment cool
- Fixed bedroom AC at rental #52
- Brought dirt up from the picnic area and graded it around new asphalt parking lot. Cleaning, lawn cutting, weed whacking and palm trimming is ongoing as usual

Pauline Villeneuve

Just want to share my good news, I am in REMISSION. No signs of any cancer via the cat scan and blood platelets back up.

Thanks to all for the support and prayers.

Would like to thank all the neighbours who helped take care of my renters, much appreciated.

We are hoping for some time in South Winds next winter.

Have a great summer everyone.

Gratefully yours, Pauline and Ray.

Dear Southwinds friends,

There are not enough words for me to thank everyone for all your cards, caring kindnesses and thoughtfulness, and the many prayers upon the sudden loss of my dear Jack. This was our 20th year at Southwinds and we have always been very grateful for the many dear friendships we have made and cherish, and the opportunity to meet many great people from all over the US and Canada. I will always carry with me all the wonderful memories.

With deep appreciation,

Joan Heffernan and family.

To all my Southwinds Friends

With love in my heart for all of you, I would like to send a grateful thank you for the cards, phone calls, prayers and the lovely flower arrangement. How much can I say about a family of friends that are so near and dear to me.

I will be leaving for Michigan for a few months to recuperate but will have you in my mind and prayers for a wonderful summer of things that are planned. May God Bless you all.

Your friend, **Audrie Ryan**

Happy Anniversary

Although Memorial Day has just passed, I'd like to continue to acknowledge the sacrifices made by our veterans.

A veteran is someone, who, at one point in his/her life, wrote out a blank check to "The United States of America" for an amount of "up to and including my life".

That is Honor.
