

FROM THE EDITOR

NOT A LOT TO REPORT THIS MONTH---- I UNDERSTAND THE PAVING IS COMPLETE FOR THIS YEAR AND THE POOL RENOVATIONS ARE DONE. SEVERAL NEW MOBILES ARE IN PLACE. I HEARD THERE WAS SOME DIFFICULTY SQUEEZING THE NEW UNIT INTO PLACE AT #49. LET'S THANK THE BOARD AND OUR EMPLOYEES FOR KEEPING OUR PARK LOOKING AND WORKING GREAT!!

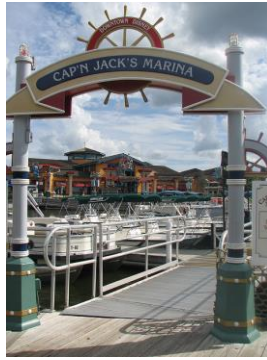

I am willing to continue the Breeze through the summer months. However, I do need some feedback from our residents. If you have something you would like to share, please send it to me, and I will gladly print it in the August Breeze. If I don't get anything, I will discontinue the printed Breeze and just send updates to my email list.

APPRECIATION FROM A SPECIAL COUPLE

We want to let our Southwinds' family and friends know that we are well and happy. Once again, we want to acknowledge how grateful we are for the wonderful, heartwarming sendoff. Your kindness and love will never be forgotten. We are moving into an assisted living in July, very near our daughter. We will have our own apartment. Meals are prepared, also cleaning once a week and laundry. So, as you can see, we are a bit spoiled. Please know that we treasure our memories over the almost 30 years.

Much love to all, The Whitneys

That's right \$1.98 per gallon on June 30th

We have two birthdays to report for July, and we want to wish them the happiest of birthdays. Congratulations!!!!!!

Frank Reich will be 98 on July 13
Claire Gielow will be 95 on July 25

Anniversary congratulations go out to Marvin & Phyllis Matney on July 14 when they will be celebrating 61 years together. Best wishes from your Southwinds' family.

Second Installment

Last month I started an article to fall-proof your home –

THE KITCHEN

Make your most commonly used items within reach. Put the kitchen items you use every day on the lowest shelves. This will keep you from using step stools and chairs to reach items on higher shelves. Plan ahead for special occasions. If you will be baking during the holidays, for instance, ask for help to take down the dishes you'll need.

Replace scatter rugs with rubber backed rugs. Scatter rugs or area rugs are tripping hazards. If you have a mat on the floor near the sink or stove, make sure it is placed securely on the floor and doesn't have turned corners or edges that you could trip on

Clean up spills immediately. Kitchen floors can be slippery and very dangerous when wet. Keep a hand towel within easy reach to help you clean up spills easily and quickly.
