

THE BREEZE

FEB 2018

HAPPY VALENTINE'S DAY

BOARD MEETING – JANUARY 16, 2018

Manton opened the meeting at 9am, with 36 residents in attendance. Minutes of the January 2nd meeting were read and approved.

Treasurer's Report: Crews reported that all items needed for the accountant's review have been submitted. December financial statements are posted showing a small profit for 2017.

MAINTENANCE REPORT: Dail reported that four foxtail palms were planted to replace palms that had to be removed. Pygmy palms replaced the crape myrtle on the south side of the park. Woody thanked the residents for supporting the pancake breakfast which netted over \$700.

Dail Because of the many activities, it is important to have information on who has or has access to keys. Dail distributed a form for the board members and staff to determine key distribution. He will create lists of key availability when these forms are returned.

A. Uninhabited units – Dail presented a proposal for interior inspection of units that have been uninhabited for one year or more. Uninhabited units invite infestations and health hazards.

Manton will review documents for ability to do so. A secondary issue would be availability of keys which are not mandated to be in the office. This will be revisited at the next meeting.

A request for the extended stay of the daughter of Surrey and Phyllis was discussed. After clarification: **Motion by Leggett second by Mosher to approve. Approved 8-0**

Twice a month, pot luck dinners are held in the Rec Hall. Attendance is growing, breaking records this year (over 100 residents, renters, friends for the first pot luck of 2018 and 145 for the second).

Each dinner has a main dish supplied by the Rec Club and chosen by the volunteers who are in charge of each dinner. All kinds of **fixin's** for all variety of tastes. Plenty of food. Ham was the main dish (with lots of scalloped potatoes at the first dinner) and pork loin for the second. There are favorites. For me, the corn bread, made differently than I was used to, with cream style and whole kernel corn. Deviled eggs, a macaroni dish, that I loved. (Macaroni, tomatoes, hamburger, beans,) a little different than I make mine, but so good. (Made me want to make macaroni for my next supper.) Desserts, some different things, a strawberry cream dessert, excellent! Fresh fruit. Pies, cakes, brownies. yummy.

We start our meal with a prayer, and bring it all into focus. Table numbers are called, and that alone, is entertainment. Who will be first? Who will be last? And, as if this isn't enough, we have live entertainment. We always enjoy it. The room was clapping hands and tapping feet. Both evenings of entertainment, were enjoyed by all.

So, if you haven't experienced Pot Lucks yet, think about trying it out. Bring something, to serve 8 people. Bring your dish, utensils and favorite beverage, (Coffee, tea and ice water are served.) There is no charge for this.

To just add a little note, normally, we used to plan on 100 guests, at the most, and usually set up for that. Well, we have hit that 100, and now, we are adding tables. It's so nice to see this. Good friends meeting and sharing food. It's very social, and you will feel very welcome. In years past, Pot Lucks, lost their popularity. I heard it wasn't well attended, food running out, etc. Well, I have been coming for almost 9 years, and my experiences have been great! It seems to be gaining in popularity, as the thing to do, on Two Wednesdays a month. You can even host one if you wish, that can be fun, with a good team behind and with you, you can't miss. Hope to see you at next Pot Luck.

WELCOME NEWCOMERS BREAKFAST

Our annual Welcome Newcomers Breakfast was held on Friday, January 26. New owners and first year renters were treated to a delicious breakfast which was prepared and served by many volunteers. The tables were once again beautifully decorated and offered a very elegant and welcoming atmosphere. I would like to thank the many volunteers (18 in all), who came to meetings, delivered invitations, shopped for items and prepared food. Thanks also to those who helped put the folders together and prepare the information table. All of these details add to the event and make our guests feel comfortable and welcomed. We mustn't forget those who came early on the event day, greeting guests, putting last minute items on the tables, making toast and serving our guests. Our dishwashing and cleanup committee left the kitchen immaculate. Thank you, thank you, thank you. This event would not be the same without you. Sharon Currie
